STANDARD SEMICONDUCTOR SOLUTIONS

NEC - www.am.necel.com

MICROCONTROLLERS - Low power highly integrated 8-32 bit Microcontrollers w/ A/D, LCD, RTC, & low voltage detect.

COMPLEX I/O SOLUTIONS - USB 2.0 Host and Hub controllers, PCI Express, 1394, WUSB

POWER MANAGEMENT - Very low RDS (ON) Power MosFets, Voltage regulators, and Diodes.

DISCRETE MEMORY - SRAM memory: Low Power, Asynchronous Fast, Std Synchronous, ZEROSB, DDRII SRAM, QDR II SRAM.

AUSTRIAMICROSYSTEM

www.austriamicrosystem.com

ANALOG FRONT END SOLUTIONS - Low power products from A/D, D/A, DC/DC, Mobile Entertainment, Analog Audio front-end, Rotary Encoders, MCU Supervisory ICs, LED Drivers

DEVICE ENGINEERING - www.deiaz.com

ARINC 429, 571, and 575 line drivers, receivers, and transceivers. Aviation power control, discrete digital, and lighting control.

KENET - www.kenetinc.com

ADC SOLUTIONS - Very high speed and low power ADCs.

ANTENOVA - www.gigaant.co.uk

ANTENNA SOLUTIONS - Standard 2.4GHz chip (PCB), multi-band antennas, and custom antenna solutions.

SILICONSYSTEMS - www.siliconsystems.com

INDUSTRIAL SOLID STATE MEMORY MODULES - 5+ year product lifecycle, used in applications requiring high reliability and endurance. Form factors: CF, PCMCIA, 1.8" & 2.5" Drives, USB, & IDE module

HALO ELECTRONICS - www.haloelectronics.com

ETHERNET SOLUTIONS - Highest quality communication magnetics including signal transformers, filters, CMR chokes and low power DC/DC converters. LAN products including Std, Fast, Gigabit Ethernet, Token Ring, ATM, & Fiber Channel. WAN products

NEC TOKIN - www.nec-tokinamerica.com

PASSIVE SOLUTIONS - Super Capacitors, Tantalum Caps, Neo Caps, Ferrites, High current Chokes, and EMI Suppression Filters.

COMCHIP - www.comchiptech.com

DIODE SOLUTIONS - Zener, Schottky, Switching, Bridging, ESD, Rectifier, High Voltage Rectifier, Transient Voltage Suppression.

MICROSEMI - www.microsemi.com

POWER MANAGEMENT SOLUTIONS - High Power MosFets, Diodes, Rectifiers, IGBTs, and RF Products. Power over Ethernet IC's, LED Drivers, Light Detectors, PWMs, OP Amps, Switching Regulators.

EXCELIGHT - www.excelight.com

FIBER OPTIO LASERS - TOSA, ROSA, CWDM, DWDM.

CUSTOM SEMICONDUCTOR SOLUTIONS

NEC - www.am.necel.com

DIGITAL ASIC SOLUTIONS

Gate Array Technology - .5u to .25u processes; Structured ASIC; Cell Based ASIC: down to 90nm technology

GDA TECHNOLOGIES - www.gdatech.com

ASIC Design Services (front end and back-end)

DEVICE ENGINEERING - www.deiaz.com

MIXED SIGNAL ASIC SOLUTIONS - Device Engineering Inc. serves the avionics and industrial market utilizing bipolar analog arrays are a proven family of devices to meet your 20 volt bipolar analog and mixed-signal applications.

DISPLAYS AND RELATED PRODUCTS

NEC - www.am.necel.com

ACTIVE MATRIX DISPLAYS - Long product life cycle and phase out policy. Focused on the industrial, aviation, and medical markets. Display sizes from 2.7" to 23".

MICROTIPS - www.microtipsusa.com

STN, CSTN, & TFT DISPLAYS - Custom and Standard LCD Monochrome (STN) and Character and Graphic modules, Color (CSTN), TAB, COG, standard and custom. Low cost TFTs.

PLANAR DISPLAYS - www.planarembded.com

EMBEDDED DISPLAY SOLUTIONS - Open framed displays, high bright displays, EL displays, and custom display solutions.

CHRISTENSEN DISPLAYS -

www.christensendisplays.com

INDUSTRIAL MONITORS - Industrial grade flat panel monitors for industrial and process control and other commercial applications utilizing the latest in flat panel display technology.

MICROSEMI - www.microsemi.com

INVERTERS - Inverters for CCFL backlight displays. Inverter reference designs and Light Detectors for auto backlight dimming.

GRANITE MICROSYSTEMS -

www.granitemicrosystems.com

INDUSTRIAL COMPUTER DESIGN - Customized turn-key computer solutions for OEMs in the medical, industrial, telecom, and semiconductor equipment markets.

IEE - www.ieeinc.com

TFT enhancement solutions. A comprehensive offering of information displays (POS type) and integrated display solutions including Vacuum fluorescent displays (FVD), inverters, backlights.

DAWAR - www.dawar.com

HUMAN INTERFACE SOLUTIONS - Touchscreens, Custom Rubber Keypads and Membrane switches, PCB, Flex Circuits, etc..
